

Queer Asterisk is seeking new Board of Directors members in 2025!

Board Service Description Summary

Board members support and help lead Queer Asterisk with staff leaders, for a term of two years. Queer Asterisk in its ninth year, provides mental health services and community programs through a queer and trans lens to more than 1,000 annually.

Interested candidates will complete an application, meet with a Board leader and begin to get involved, to better facilitate the mutual decision to join the Board of Directors.

Candidates will have prior organizational experience and some familiarity with LGBTQ+ issues, challenges in mental health and community support in order to fulfill responsibilities.

What's involved? About 5 hours each month is needed to review materials, participate in monthly meetings, serve on a committee and/or provide expertise or resources to the organization.

In 2025, organizational challenges include:

- Balancing growth and depth, sustaining the work of Queer Asterisk
- Generating financial support
- Guiding management of risk reduction and security provision with staff leaders.
- Monitoring performance of Queer Asterisk across areas of mission and vision
- Representing the organization in the community, to potential funders and others who might help or resource our operations and sustainability.
